Dear Year 12 students and parents/carers

We are writing to outline arrangements for the release of AS examination results next month. Students will be welcome to collect results from **10.30am** in the Main Hall that morning.

Depending on their circumstances, students should approach the relevant member of staff as outlined below:

Scenario	Staff
Student wishes to continue all three current subjects to A2	Mrs Abel
Student wishes to drop from 4 to 3 subjects, knowing which subject to drop	Mrs Abel Mrs Dines
Student wishes to drop from 4 to 3 subjects, but needs advice	Ms Banks
Student wishes to continue all 4 subjects to A2	Ms Banks
Student has scored below DDD	Ms Banks Mrs Pemberton

(Any students who wishes to speak either to Mrs Clements or Dr Robertson may need to wait until Year 13 students' university queries have been dealt with.)

With the end of term upon us, it is important that you take the opportunity both to recuperate and recharge, but also to maximise your time efficiently. The six weeks which follow are an ideal time to revise existing AS Level notes, to review the first half-term of A Level teaching, to continue to read around your subjects, and to make significant inroads into the Extended Project Qualification. It is also important that all students intending to make a UCAS application draft a personal statement, ready to meet their Pathway Advisor in September.

We also encourage students as much as possible to take advantage of some of the summer opportunities signposted in your last assembly, such as seeking work experience placements, performing some voluntary work or taking part in a summer school programme.

In the meantime, we wish you an enjoyable and productive summer, and we look forward to welcoming you back on Tuesday 5 September at 10am.

Yours sincerely

Dr Alick Robertson
Head of Sixth Form

Ms Helen Banks
Head of Year 13

Mrs Jenny Clements
UCAS / EPQ Coordinator
