## Twickenham Rugby Trip

*Mitchell Jones reporting...*

On Saturday 26th November the Year 8 and Year 9 rugby teams were rewarded with a trip to see England play Argentina at the home of rugby, Twickenham. 30 students from the year groups made the trip to London on a clear but cold November afternoon. The game was a hard-fought affair with England coming out on top and it was fantastic so see all the boys engaging in the true spirit of rugby. I hope this trip encourages and motivates the boys to continue their commitment to school rugby and to try their best. A big thank you to Simon Field and Kevin Harrin for giving up their Saturday to accompany us, ensuring a successful and safe trip.

### CHARITY WEEK

Thank you, in advance, to students in our Sixth Form and all the pupils in the main school who I know are getting involved and supporting our annual Charity Week. We are raising money for Alzheimer's as well as our link school in Tanzania and, hopefully, we can raise another impressive sum of money for these good causes. I am, however, sorry to disappoint anyone who expects me to join in the Lip-Sync competition!

### DIARY OF A WIMPY KID II: DOUBLE DOWN

by Jeff Kinney

Greg's Mum has decided that video games are no good for him and they're turning his brain to mush. She wants him to put down his controller and, "explore his creative side." Can Greg get his Mum off his back by making a movie? Will it work? The long-awaited, latest Wimpy Kid book is just as hilarious as the others!

# Congratulations to our Year 8, 9 & 10 Award Winners

On Thursday 1st December, parents, governors and staff enjoyed our Annual Award Celebration Evening. Pupils and students received awards for progress, achievement and remarkable attendance. We were entertained with excellent musical performances and heard really creative pieces of writing. As usual, our pupils and students were a credit to themselves and clearly proud to receive their awards. *June Morgan*
